Speaker Series

We had a great evening with Diana Rodgers of the [Sustainable Dish](#) last week during her presentation about the case for better meat.

We also have just made Bill Moomaw's talk available online. If you missed our May speaker session, you can view it here.

[Climate Change in New England: Becoming a Resilient Part of the Solution](#)

Sustainability Tips

There are so many little things that we can all start to work into our daily lives to create big, positive change.

We wanted to share some suggestions and ideas that we've been trying out ourselves. Check out this section weekly for sustainability tips.

TIP: Bring Sustainability to the Bathroom

1. Use Bar Soap or refill liquid soap dispensers rather than using single use soap dispensers
2. Look for boxed options instead of plastic for laundry detergent, etc.

YOUTH PROGRAMS:

Adventures in Growing - a summer program for Middle Schoolers and a **Teen Farmer Program** for High School students.

We also still have a few spots available in our Preschool-5th grade summer programs

Check out our 2019 Youth Programs page on our website or email FarmEd@WLFarm.org to learn more.

ADULT WORKSHOPS:

Yoga in the 1827 Barn is back!! Join Brittney Burgess for sunrise and sunset classes here at the farm. Also coming up-- **Spoon Carving** in the barn on June 15th, a **Forest Bathing** walk on June 22nd, and more! Check out our Adult Workshops page to register.

[Learn more here.](#)

Farm Stand Highlight

Alprilla flour is now available in the Farm Stand. This flour is New England-grown and freshly milled for flavor and preservation of the grain's nutrients. We are happy to work with [Alprilla Farm](#), on of the only Farms in New England cultivating grains and doing so in an ecological manner that supports soil health. Grab a bag and taste and feel the difference of real, quality local flour.

Farm Stand hours:

Tuesday - Friday 10 - 6. Saturday 10 - 2.

You can reach our Farm Stand Manager, Sergio Sotelo, for questions and suggestions at farmstand@wlfarm.org.

Family Farm Night Returns this Week!

3. Switch to using a wooden or bamboo toothbrush instead of plastic.

Share your own tips!
Send them along to kkneeland@wlfarm.org

Farm Reel

The team at Wright-Locke Farm is excited to welcome Jack Wright to their ranks. Jack will be serving as the Youth Programs Manager this season, so make sure to say "Hi" and introduce yourself when you see him around the farm.

Daisys in front of the Farm

Momma Duck and her two babies down at the pond

Our first CSA pick up of the season! Farmer Adrienne and Hank welcome our CSA customers.

Don't miss our first Family Farm Night, this Thursday, June 13th with Desperate Measures.

For info about rules, when gates open, parking, and the summer lineup,

[check out our website.](#)
