## All Seasons Barn Gets the Green Light!

Good news! All of our ducks are in a row and construction of the All Seasons Barn is slated to start soon. But first, we need to take down the decrepit yellow house. Please make note that our main parking lot at 82 Ridge St may be inaccessible while construction is going on. We will have more information about the timeline soon and will update you as details develop!

We've been working diligently on our plans for the All Seasons Barn with our architects, builders, the Town, and all key parties that will help inform a well designed building.

Here are our most up-to-date plans for the All Seasons Barn.

Thank you from the goats and all their friends!
